EDUCATION

B.TECH IN COMPUTER SCIENCE AND ENGINEERING

2021 - 2025

TKM COLLEGE OF ENGINEERING,KOLLAM ,KERALA

I am currently a dedicated student pursuing Btech in Computer Science at TKM College of Engineering. My educational journey is driven by a deep passion for Data Science and Front end development. I am committed to acquiring both knowledge and practical skills in these fields. I approach my studies with enthusiasm and a strong work ethic, always eager to learn and grow. As an aspiring software engineer, I am determined to make the most of my college experience and contribute meaningfully to my chosen field. I thrive in collaborative environments and look forward to leveraging my education to make a positive impact to my career.

VOLUNTEERING

NATIONAL SERVICE SCHEME

2022 - 2024

Apart from spending my time for technical knowledge, I am really interested in doing social service and spending quality time finding real life problems the society faces. I am one of the exclusive volunteer at NSS TKMCE 262 Unit which is officially recognized by our university.

U&I VOLUNTEER

2023 - 2024

U&I is a Non-Governmental Organization working in the field of creating positive impact in social issues and child welfare. I am currently volunteering at U&I Kollam branch at Don-Bosco Boys School Kollam.

Freelance Video Editor

2023 -

On expanding my skillset I have spent quality time learning and mastering the art of video editing in software like Premier Pro, After Effects, Davinci Resolve and Photoshop which made me eligible for working as a video editing freelancer at Nefto Web3 Technologies Kochi.

Graphic and Motion Designing

2023 -

I am also working along with a dedicated team of designers of various clubs like IEEE, NSS, etc.
